Re: FOI No.: 50466 Welch

Dear Mr. Welch:

This is a final response to your February 3, 2019, Freedom of Information Act (FOIA) request, which was received in this office on February 14, 2019.

You requested a copy of any and all style guides that govern how NIH creates and formats information graphics and data visualizations. Per your February 20, 2019, email you stated you're seeking a current version of the document I am requesting, that would satisfy my request. If not, I'm asking for the most recently published version.

We searched the files of the NIH Medical Arts for records responsive to your request. That search produced 36 pages responsive to your request. Enclosed is the NIH Identity Guidelines.

You may also find our policy manuals on our website helpful <https://policymanual.nih.gov/1186>.

If you are not satisfied with the processing and handling of this request you may contact the ORS FOIA Public Liaison:
